

A SENSE OF PLACE

Is to us a concept that succinctly captures the essence of Haskell Vineyards. It is a feeling, a perception of potential and possibility, built on immutable truths. Haskell Vineyards – our sense of place – is bald around many of these.

Our Boutique Winery makes its home on the slopes of the “Golden Triangle” sub region in Stellenbosch and is 23 hectares in size of which 14 hectares are planted under vine.

Whilst Syrah and Cabernet Sauvignon are the mainstays of production, Haskell Vineyards also has some of the oldest Chardonnay vines in South Africa, in particular, the multi award winning Anvil Vineyard, planted in 1988.

At LONGTABLE we have created a relaxing and convivial venue amidst the vines where you can take time to savour unpretentious yet mouthwatering food, and wine!

THE IDEA OF A ‘SMALL PLATES’ MENU
is to allow you to experience a kaleidoscope of flavours, sharing tastes and sensations at your leisure.

HASKELL and DOMBEYA WINES...
please find our Haskell and Dombeya wine list attached.
If you are not quite sure which wine would best suit your choice of food, make use of winemaker Rudolph Steenkamp’s recommendation for each dish.

“drinking good wine with good food in good company is one of life’s most civilized pleasures,” says Michael Broadbent, 90 year old British wine critic and writer.

We couldn’t agree more !

Enjoy!
